Young Nudy

Hold up, Jetson made another one Yeah, trippin' ho, yeah yeah
AK-47, fully loaded, killin' folks, yeah yeah
And I got your bitch, wanna suck my dick bro, yeah yeah
Think you need to cuff your ho
Think you need to watch your ho
Worry 'bout me nigga, need to watch your ho, yeah All in your bitch, I'm all up in her throat
I'ma get this money, while im fuckin' your ho
Gettin' this money, yeah, I'm fuckin' these hoes
Everywhere I go, SlimeBall, he got these hoes
All these different bitches, all these different shows
I be rockin' bitches like I'm rockin' shows
I'm gettin money, either way it go
Big bank rolls, blue hunnids, you already know
Back in, fully loaded, bitch you know
Everywhere I go man, I be rockin' these shows, yeah
Cameras up, money up, sticks up, pull it up, better give it up
Owe me money, I'm comin' to pick it up
Show no love, I can't show no love no mo', yeah And I like to ride around in the four
And I got that dirty dirty in the pint
And I'm ridin through the 6, East Atlanta
You can catch me in the 6, East Atlanta
You can catch me cruisin' down, East Atlanta
On the block, Bouldercest, East Atlanta
Flat show, crushin' road, East Atlanta
Kirkwood, every wood, East Atlanta
Real East Atlanta nigga, yeah, you know me
All up in the block, catch me in Paradise East
Top of the 'partments, where you can find me
1504, yeah, bitch you know the block
Came from the block, the Texaco was servin' rocks
Nigga know me, the jack move, I was a robber
Ain't no gettin' no money, crazy fuck, I went no stopper I'ma rob these niggas, yeah fuck it,
regardless
I'ma get this money, nigga yeah, regardless
Got my own gang bitch, yeah, I started it
Nigga hate on me, you pussy boy, don't start it
Get a lot of money, just at condo 'partments
And I bone your bitch, I gave her Ed Hardy
Stevie Wonder, man, I cannot see your shorty
Sippin' lean bitch, I don't sip Bacardi And I like to ride around in the four
And I got that dirty dirty in the pint
And I'm ridin through the 6, East Atlanta

You can catch me in the 6, East Atlanta
You can catch me cruisin' down, East Atlanta
On the block, Bouldercest, East Atlanta
Flat show, crushin' road, East Atlanta
Kirkwood, every wood, East Atlanta
