

# Dare

## Gorillaz

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up, it's coming up  
It's dare  
It's dare  
You've got to press it on you  
You just think it  
That's what you do baby  
Hold it down dare  
Jump with them all and move it  
Jump back and forth  
And feel like you were dare yourself  
To work it out  
Never did no harm, never did no harm  
It's dare  
It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare  
You've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dare  
Jump with the moon and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it out  
Never did no harm  
Never did no harm  
It's dare  
It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare  
Oh  
You've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dare  
Jump with the moon and move it  
Jump back and forth  
And feel like you would dare yourself  
To work it out  
You've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dare  
Jump with them all and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it out
