

# Dream a Little Dream

[Eddie Vedder](#)

Stars shining bright above you  
Night breezes, seem to whisper 'I love you'  
Birds singing in the sycamore tree  
Dream a little dream of me  
Say nighty-night and kiss me  
Hold me tight and tell me you'll miss me  
'Cause I'm alone, as blue as can be  
Dream a little dream of me  
Stars fading but I linger on  
Oh, craving your kiss  
I'm longing to linger till dawn, dear  
Just saying this, oh  
Sweet dreams till sunbeams find you  
Sweet dreams leave all worries behind you  
But in your dreams whatever they be  
Dream a little dream of me
