It's a block party  
They done blocked off half the street (Wow)  
She's a big booty bitch  
Showing ass and cheeks (Yeah)  
She's a walking bag of money  
She's a masterpiece  
The way she running game on you  
She's an athlete (Go)  
Hat trick, gave three hoes  
Three stacks a piece (Go)  
And every time I get the head  
She get that bread from me (Ayy, ayy, ayy, look, it's Gucci)Big old ass is heavy  
Shake that shit like jelly  
Put me on your plate  
And slurp that shit up like spaghetti  
Man, I make this shit look easy

I ain't never met a hoe  
I felt like I had to compete with, uh  
This the type of booty  
Make a nigga drop his bitch, wait  
This the type of ass when I get home  
He washing dishes, uh

He need to give me the keys to a Porsche  
I told him until you finish your dinner  
I cannot let you leave off of the porch  
Boy, let me butter your corn on the cob  
We give each other more neck than a bob  
He like to put a little oil on my ass  
Before he record so I feel like a star, huh

Make this booty giggle  
Like you Martin and I'm Gina, hmm
