

Hope

Descendents

why can't you see you torture me?
you're already thinking 'bout someone else,
when he comes home you'll be in his arms and i'll be gone, but i know my day will come,
i know some day i'll be the only one so now you wait for his spark,
you know it'll turn you on,
he's gonna make you feel
the way you wanna feel,
when he starts to lie,
when it makes you cry, you know i'll be there,
my day will come,
i know some day i'll be the only one
call me selfish, call me what you like, i think it's right
to want someone for all your own
and not to share her love,
cuz i'll have my way, you won't have a say anyway,
cuz i got you,
you don't stand a chance
so now you wait for his cock,
you know it'll turn you on,
he's gonna make you feel
the way you wanna feel,
when he starts to lie,
when it makes you cry, you know i'll be there,
my day will come,
i know some day i'll be the only one... my day will come,
i know some day i'll be the only one
so now you want perfection,
i see your self-destruction,
you don't know what you want,
it's gonna take you years to find out,
i'm not giving up,
and when you've had enough
you'll take your bruised little head and you'll come running back to me you know that i'm gonna
be the only one
