

Like We Used to

A Rocket to the Moon

I can feel her breath as she's sleeping next to me
Sharing pillows & cold feet
She can feel my heart, fell asleep to its beat
Under blankets & warm sheets
If only I could be in that bed again
If only it were me instead of him
Does he watch your favorite movies?
Does he hold you when you cry?
Does he let you tell him all your favorite parts when you've seen it a million times?
Does he sing to all your music while you dance to Purple Rain?
Does he do all these things like I used to?
Fourteen months & seven days ago
Oh, I know you know how we felt about that night
Just your skin against the window
Oh, we took it slow & we both know
It should have been me inside that car
It should have been me instead of him in the dark
Does he watch your favorite movies?
Does he hold you when you cry?
Does he let you tell him all your favorite parts when you've seen it a million times?
Does he sing to all your music while you dance to Purple Rain?
Does he do all these things like I used to?
I know, Love (I'm a sucker for that feeling)
Happens all the time, Love (I always end up feeling cheated)
You're on my mind, Love (Oh darling, led her where that led)
It happens all the time, Love, yeah
Will he love you like I loved you?
Will he tell you every day?
Will he make you make you feel like you're invincible with every word he'll say?
Can you promise me if this was right?
Don't throw this all away
Can you do all these things?
Will you do all these things like we used to?
Oh, like we used to
