Shimmy Shimmy Ya

El Michels Affair

Oh baby I like it raw Yeah baby I like it raw Oh baby I like it raw

Yeah baby I like it rawShimmy shimmy ya shimmy ya shimmy ya

Gimme the mic so I can take it away

Off on a natural charge bon-voyage

Yeah from the home of the Dodger Brooklyn squad

Wu-Tang killer bees on a swarm

Rain on your college-ass disco dorm

For you to even touch my skill

You gotta put the one killer bee and he ain't gonna kill

Now chop that down, pass it all around

Lyrics get hard quick cement to the ground

For any emcee in any fifty two states

I get psycho, killer, Norman Bates

My producer slam my flow is like bam

Jump on stage ah then I dip down (I like the way you talk)

Oh baby I like it raw

Yeah baby I like it raw

Oh baby I like it raw

Yeah baby I like it rawOh baby I like it raw

Yeah baby I like it raw

Oh baby I like it raw

Yeah baby I like it rawShimmy shimmy ya shimmy ya shimmy ya

Gimme the mic so I can take it away

Off on a natural charge bon-voyage

Yeah from the home of the Dodger Brooklyn squad

Wu-Tang killer bees on a swarm

Rain on your college-ass disco dorm

For you to even touch my skill

You gotta put the one killer bee and he ain't gonna kill

Shimmy shimmy va shimmy van shimmy va

Shimmy shimmy ya shimmy yam shimmy ya

Shimmy shimmy ya shimmy ya shimmy ya

Gimme the mic so I can take it away
