## Bleachers

It was summer when I saw your face  
Looked like a teenage runaway  
And god I never thought we'd take it that far  
Some killer queen you are Now I'm running and I can't stop anywhere I go  
I think about it every day and night I can't let go  
Man, I'm never the same  
We were shotgun lovers, I'm a shotgun running away So come a little closer  
There is something I can tell yeah  
You are such a rollercoaster  
And a killer queen you are Ro-rollercoaster, I don't say no  
Ro-rollercoaster, When you don't say no  
And it's such a rollercoaster  
Some killer queen you are  
We took the bones out from the road  
Those endless nights that we traveled we stole  
You let your clothes fall to the floor  
And lit a fire while I waited for more Now I'm running and I won't stop I don't wanna go  
I think about it every day and night I can't let go  
And hey, I'm never the same  
It's a hundred miles an hour on a dirt road running away So come a little closer  
There was something I can tell yeah  
You are such a rollercoaster  
And a killer queen you are Ro-rollercoaster, I don't say no  
Ro-rollercoaster, when you don't say no  
And it's such a rollercoaster  
Some killer queen you are  
Come a little closer  
Why don't you come a little closer Why don't you come a little closer  
There's something I could tell yeah  
You were such a rollercoaster  
Some killer queen you are Ro-rollercoaster, I don't say no  
Ro-rollercoaster, when you don't say no  
And it's such a rollercoaster  
Some killer queen you are Ro-rollercoaster, I don't say no  
Ro-rollercoaster, when you don't say no  
And it's such a rollercoaster  
Some killer queen you are
