

# Best Night of My Life (feat. Wiz Khalifa)

## Jamie Foxx

[Jamie Foxx]  
I? m feeling good  
I? m having fun  
This is the best night of my life  
Girl can i be real?  
I just wanna feel on your booty  
That's not a big deal  
Shawty you drinkin gon that Martini  
I wanna see you in a bikini  
Or better yet a thong  
Baby what? s wrong?  
Tryna tell your girls whats you purpose of this song  
Ooh, I want you closer  
Like a model of a poster  
I wanna get ya to the car to the crib  
Up the stairs to the bed  
In the morning you? ll be cooking us set  
Oooh baby, I love the smell of your perfume  
And if we were kids I? d be breaking curfew  
To stay up with you,  
You gon need a scarf?  
Wrap your head cause it? s gon get wild  
If we keep lovin? like this, we might make a child  
A daughter, a son, whichever one  
Girl your second to none I? m feeling good  
I? m having fun  
This is the best night of my life  
We off the Patron  
And both of us gone  
Girl this gon be the best night of my life  
You coulda been anywhere in the World  
But you? re right here with me girl  
And if we go home and make love  
This could be the best night of your life So girl let me ask you a question while we? re sipping  
bud  
Are you going home with me  
After the club  
That's a yes or a no, I? m just letting ya know  
Where this night can go  
And girl I? m hoping you could see things my way  
Cause I just want your love to stay  
Tonight, tonight [Wiz Khalifa]

I could be your bartender, tell me what you? re sippin? on  
Girl, I? m not a travel agent so what you trippin? on  
You say I think I could make it happen cause I? m famous  
Nah, I? m just tryna get it cracking cause we faded  
Get you to my crib, spend some time alone  
Barely over 21 that mean you kinda grown  
Erm, and I? m tat tat tatted up  
Come out to that bread  
I? mma stack it up  
Where you born  
Baby girl back it up [Jamie Foxx]  
You gon need a scarf?  
Wrap your head cause it? s gon get wild  
If we keep lovin? like this, we might make a child  
A daughter, a son, whichever one  
Girl your second to none I? m feeling good  
I? m having fun  
This is the best night of my life  
We off the Patron  
And both of us gone  
Girl this gon be the best night of my life  
You coulda been anywhere in the World  
But you? re right here with me girl  
And if we go home and make love  
This could be the best night of your life
