

# The Dumbing Down of Love

## Frou Frou

Well painted passion,  
You rightly suspect,  
Impersonation,  
The dumbing down of love,  
Jaded in anger,  
Love underwhelms you,  
No box of chocolates,  
Whichever way you fall. And if I tell you,  
Lover alone without love,  
What will happen?  
Lover alone without love,  
Will you miss him?  
Lover alone without, without love,  
No, no I'll get this,  
I want to treat you,  
You're still not famous,  
And you haven't struck it rich,  
Underachieving,  
'Cause no one's receiving,  
This tunnel vision,  
It's turning out all wrong. And if I tell you,  
Lover alone without love,  
What will happen?  
Lover alone without love,  
Will you miss him?  
Lover alone without, without love. Music is worthless unless it can,  
Make a complete stranger,  
Break down and cry.  
And if I tell you,  
Lover alone without love,  
What will happen?  
Lover alone without love,  
Will you miss him?  
Lover alone without, without love. Without love,  
Without love yeah.
