

Pray (feat. Kameron)

Illenium

Lay my soul up here, by the river, mmmm
And bridges burn in the living room, mmmm
Bring my soul back, on the river now
The change that brought me here
It ain't fair, no it ain't, mmmm
Mercy, mercy, mercy
I've got love, and that love's dead
Help me, help me, help me
Won't you pray
She don't hear me like she hears you pray
So, just pray for me
Won't you pray
It's not too far from helping heal your pain
So, just pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
Mercy, mercy, mercy
Help me, help me, help me
Mercy, mercy, mercy
Help me, help me, help me
Mercy, mercy, mercy
Help me, help me, help me
Mercy, mercy, mercy
Help me, help me, help me
Help me, help me
Help me, help me
Help me, help me
Won't you pray
She don't hear me like she hears you pray
So, just pray for me
Won't you pray
It's not too far from helping heal your pain
So, just pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
Won't you, won't you, pray for me
