

# Redneck Crazy

[Tyler Farr](#)

Gonna drive like hell through your neighbourhood  
Park this Silverado on your front lawn  
Crank up a little Hank, sit on the hood and drink  
I'm about to get my pissed off on I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You know you broke the wrong heart baby, and drove me redneck crazy Wish I knew how long  
it's been going on  
How long you've been getting some on the side  
Nah, he can't amount to much by the look of that little truck  
Well he won't be getting any sleep tonight  
I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You know you broke the wrong heart baby, and drove me redneck crazy  
Redneck crazy Did you think I'd wish you both the best, endless love and happiness  
You know that's just not the kind of man I am  
I'm the kind that shows up at your house at 3am  
I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You gone and broke the wrong heart baby, and drove me redneck crazy  
You drove me redneck crazy, oh
