

Waving Through a Window (Tony Moran Remix)

Ben Platt & Original Broadway Cast of Dear Evan Hansen

I've learned to slam on the brake
Before I even turn the key
Before I make the mistake
Before I lead with the worst of me Give them no reason to stare
No slipping up if you slip away
So I got nothing to share
No, I got nothing to say Step out, step out of the sun if you keep getting burned
Step out, step out of the sun because you've learned
Because you've learned
On the outside always looking in
Will I ever be more than I've always been
'Cause I'm tap, tap, tapping on the glass
I'm waving through a window
I tried to speak but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
I'm waving through a window
Can anybody see, is anybody waving back at me? We start with stars in our eyes
We start believing that we belong
But every sun doesn't rise
And no one tells you where you went wrong Step out, step out of the sun if you keep getting
burned
Step out, step out of the sun because you've learned
Because you've learned
On the outside always looking in
Will I ever be more than I've always been
Cause I'm tap, tap, tapping on the glass
Waving through a window
I tried to speak but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window
Can anybody see, is anybody waving? When you're falling in a forest and there's nobody around
Do you ever really crash or even make a sound
When you're falling in a forest and there's nobody around
Do you ever really crash or even make a sound
When you're falling in a forest and there's nobody around
Do you ever really crash or even make a sound
When you're falling in a forest and there's nobody around
Do you ever really crash or even make a sound

Did I even make a sound
Did I even make a sound
It's like I never made a sound
Will I ever make a sound? On the outside always looking in
Will I ever be more than I've always been
Cause I'm tap, tap, tapping on the glass
Waving through a window
I tried to speak but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window
Can anybody see, is anybody waving back at me? Is anybody waving
Waving, waving
Whoa-oh, whoa-oh-oh-oh
