

# Idgaf (feat. Will Claye)

YG

[Hook: YG]

Nigga I don't give a fuck  
Ride with my niggas  
Like fuck it, die with my niggas  
You a nigga with bitch ways  
You remind me of my bitch named Tiffany  
Nigga you a bitch, tellin me who snitched—you a snitch  
(Nigga I don't give a fuck)  
All hammers getting tucked  
And all bad bitches get fucked  
(Nigga I don't give a fuck)

[Verse 1: YG]

Ice on my neck, fly first class on the jet  
Bitch whassup with that neck  
Young nigga tryna fuck  
No if and no but's, your b want nuts  
Don't cuff nigga pass the bitch  
All my homies thirsty they harrass the bitches  
Ugh, fuck you so proper  
Lowkey mad cause my ex was a boppa  
(Nigga I don't give a fuck)  
Cash out on the bitch  
I whip fast out on a snitch  
Watch me do my dougie  
Naw nigga watch me get rich  
Pull up in that Porsche they pissed  
(But I don't give a fuck)  
My old bitch got money like Oprah  
All my homie sip lean and do coca  
Pistols get popped like soda  
Hate a bitch, who pussy got odor, ugh

[Hook]

Nigga I don't give a fuck  
Ride with my niggas  
Like fuck it, die with my niggas  
You a nigga with bitch ways  
You remind me of my bitch named Tiffany  
Nigga you a bitch, tellin me who snitched—you a snitch  
(Nigga I don't give a fuck)  
All hammers getting tucked  
And all bad bitches get fucked  
(Nigga I don't give a fuck)[Verse 2: Will Claye]

Ill Will chillin

Ask me what I'm doing shit I'm trying to make a million  
Put the fam on sit back and make a killin  
Ridin round dolo in a Range on a mission  
Flight to Puerto Rico, Spanish chicas  
No habla espanol please repeat that  
Kicks I got, they guessin' (whoop)  
Can't get em, they stressin (whoop)  
Never thought I was rappin material  
But the fact that I'm killin human I'm cold and I'm tellin you  
Could've switched occupations  
Jumped on the track just for vacations  
Can't do me dog, just face it  
Just face it

And these metals around my neck make a broke nigga go crazy[Hook]

Nigga I don't give a fuck  
Ride with my niggas  
Like fuck it, die with my niggas  
You a nigga with bitch ways  
You remind me of my bitch named Tiffany  
Nigga you a bitch, tellin me who snitched—you a snitch  
(Nigga I don't give a fuck)  
All hammers getting tucked  
And all bad bitches get fucked
