Pretty Wings

Maxwell

Time will bring the real end of our trial One day they'll be no remnants No trace, no residual feelings within ya

One day you won't remember meYour face will be the reason I smile

But I will not see why I cannot have forever

I'll always love ya, I hope you feel the sameOh, you played me dirty, your game was so bad You toyed with my affliction, had to fill out my prescription

Found the remedy, I had to set you freeAway from me to see clearly

The way that love can be when you are not with me

I had to leave, I had to live

I had to leave, I had to live

If I can't have you let love set you free to fly your pretty wings around

Pretty wings, your pretty wings

Your pretty wings, pretty wings aroundI came wrong, you were right

Transformed your love into like

Baby believe me, I'm sorry I told you liesI turned day into night, sleep till I die a thousand times I could have showed you better nights, better times, better days

I miss you more and moreIf I can't have you let love set you free to fly your pretty wings around Pretty wings, your pretty wings

Your pretty wings, your pretty wings aroundPretty wings, your pretty wings

Your pretty wings, your pretty wings around

Pretty wings, pretty wings

Pretty wings, your pretty wings around

Pretty wings, your pretty wings aroundPretty wings, your pretty wings around

Pretty wings, your pretty wings around

Pretty wings, your pretty wings around
