The Creeps (Asle's Full Blown Club)

Camille Jones & Fedde le Grand

Come on down to the creeps

Come on down to the creeps

(x 2)Make me take the ride

Free drinks on tonight

Take some have a feast

Break me 'cause it keeps coming...Down on either side

Bleeding in my mind

Waiting for the creeps

To kill my last believesSo come on down to the creeps

Come on Come on down to the creeps

Come on down to the creeps

Come on

Walking to the claim

The creeps calling my name

They get me every-time

I'm bleeding and i'm gettingWe go split before my eyes

Increase, double size

Lease out my brain

Am i insane to go.....on down to the creepsCome on down to the creeps(x5)

Come on Come on down to the creepsHolding back the key

Fading sanity

Blowing up my head

Reaching for my always loving...

Partner up in crime

Soaking up my mind

Filling up my glass

I'm gone, at lastSo come on down to the creeps

(-repeat till the end-)
