

# Tied Down

Colbie Caillat

Ohhh I, Don't know what to say  
And I, have told you lately  
That I'm tired of talking about the same old reasons we change  
Just take it easy don't worry about things these days Because I'm keeping it cool, not thinking  
about you, sticking around and if we should pay  
Tied down, looking around, I know what I want so don't hold me down  
Oh I, I don't play games  
And I, I have been learning To just to let it all go and stay quiet when I feel like speaking  
My mind on whatever it is I need to make clear and just say  
That I'm keeping it cool, not thinking about you, sticking around and if we should pay  
Tied down, I'm looking around, I know what I want so don't hold me down...  
Down...  
Down...  
Don't you hold me down Because I'm keeping it cool, not thinking about you, sticking around  
and if we should pay  
Tied down, I'm looking around, I know what I want so don't hold me down  
Oh I, I can't take it  
So please please please won't you listen  
To the troubles all around me, I'm caught up and I'm barely breathin  
But I'm finding that holding on is harder than never leaving Oh I, Oh Oh Oh  
Oh I, Oh I, Oh-Oh
