

Sometimes (feat. Holly Winter)

SNBRN

Sometimes Sometimes the fever in my bones won't break
I wanna make the same mistakes
Sometimes the brick beneath my feet is real
The hotel seats are all I feel
Sometimes the lights can't keep the dark away
Sometimes I beg my enemies to stay
I love the demons I should hate
I'm bleeding, but I'm not in pain
Tell me, someone, tell me what is real, what is fake If it's all in my head, wake me up when I'm
dead
You can say what you feel, what is fake, what is real
If it's all in my mind, let me be, I'll be fine
Wake me up, wake me up, when I'm dead
It's all in my head
Sometimes
Oh, sometimes
When I'm dead, it's all in my head
Sometimes
Oh, sometimes Sometimes I'm better off all alone
Sometimes I'm tossed out like a stone
Sometimes wash my hair and change my clothes
Catch a train to Barcelon', all the same, nobody knows
Sometimes, oh sometimes If it's all in my head, wake me up when I'm dead
You can say what you feel, what is fake, what is real
If it's all in my mind, let me be, I'll be fine
Wake me up, wake me up, when I'm dead
It's all in my head It's all in my head
It's all in my head
If it's all in my head, wake me up when I'm dead
You can say what you feel, what is fake, what is real
You can say, you can say
Wake me up, wake me up, when I'm dead
It's all in my head Sometimes
Wake me up, wake me up, when I'm dead
It's all in my head
