## **Holiday**

## **Green Day**

Say hey!Hear the sound of the falling rain Coming down like an Armageddon flame

The shame, the ones who died without a nameHear the dogs howling out of key
To a hymn called "Faith and Misery"

And bleed, the company lost the war todayI beg to dream and differ from the hollow lies

This is the dawning of the rest of our lives

On holidayHear the drum pounding out of time

Another protester has crossed the line

To find the money's on the other side

Can I get another amen?

There's a flag wrapped around a score of men

A gag, a plastic bag on a monumentI beg to dream and differ from the hollow lies

This is the dawning of the rest of our lives

On holidayThree, four

The representative from California has the floor"Sieg Heil" to the president Gasman

Bombs away is your punishment

Pulverize the Eiffel towers

Who criticize your government"Bang, bang" goes the broken glass and

Kill all the fags that don't agree

Trials by fire, setting fire

Is not a way that's meant for me

Just 'cause

Just 'cause, because we're outlaws, yeahl beg to dream and differ from the hollow lies

This is the dawning of the rest of our lives

I beg to dream and differ from the hollow lies

This is the dawning of the rest of our livesThis is our lives on holiday Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
