

Lulu's Pie Song

Sara Bareilles

Let's make a new one Mama, what do you say?
I love you when you let me pick out the name
Sugar and butter and flour and mother...I think today we'll start with strawberry cream
I'm calling this one: Lulu's Strawberry Dream
Sugar and butter and flour and mother
(Sugar and butter and flour and mother)
Sugar and butter and flour and mother
(Sugar and butter and flour and mother)
Sugar, butter, flour.
