

# Creepshow

## Kerli

I'm from a land called secret Estonia  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Ice cream mountains and chocolate skies  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's atWelcome to the creepshow  
Welcome to the creepshow  
Welcome to the  
Welcome to the  
Welcome to the  
Creepshow  
I'm from a land called secret Estonia  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Cinnamon houses and licorice ties  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's atWelcome to the creepshow  
Welcome to the creepshow  
Welcome to the  
Welcome to the  
Welcome to the  
Creepshow  
Põdral maja metsa sees  
Väiksest aknast välja vaatab  
Jänes jookseb kõigest väest  
Lävel seisma jääb  
Kopp-kopp lahti tee  
Metsas kuri jahimees  
Jänes tuppä tule sa  
Anna käppä ka(Translation)  
A reindeer has a little house in the forest  
He's looking out from a small window  
The rabbit is running towards the house  
And he stops in the doorway  
Knock-knock, open up  
There's an evil hunter in the forest  
The reindeer says to the rabbit  
Come inside and shake my handWelcome to the creepshow

Welcome to the creepshow  
Welcome to the  
Welcome to the  
Welcome to the  
Creepshow
