## **Sweet Soul Sister**

## The Cult

All the hip young things Trying to make a scene Living out forbidden dreams Star spangled banner Flutters in the sky Time hustles those Who wait to dieCome on little honey Come on now, please Come on little honey and dance with meSweet soul sister Keep on pushing till the dawn, well Sweet soul sister Forever dancing on and on Ooh, she's a Dior girl Twisting round the world Midnight crush boogie scene Firm fixed expression Sensual, tender, smooth Sexual panther, beautifully coolCome on little honey Come on now, please Come on little honey and dance with meSweet soul sister Keep on pushing till the dawn, well, well, well, well Sweet soul sister Forever dancing on and on, yeahHustle and strut through Paris at night Hustle and strut Hustle and strut through Paris at night Hustle and strut Say na na na Say na na na, yeah City of sin Come and let me in City of sin Come and let me in, owSweet soul sister Keep on pushing till the dawn Sweet soul sister Forever dancing on and onSweet soul sister Keep on pushing till the dawn Sweet soul sister Forever dancing on and on, yeah Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
