

# Under the Table

## Banks

Being already started  
I tried to stop it but I already know  
You are something I should do without  
But I won't  
I'm under the table  
Just keep wishing I'll come out but I don't  
You are something I should do without  
But I won't Please tell me that this could be easy  
I'm tired of waiting for permission to love  
Heartbreak is your game, but I'm learning that  
My heart can be your's, won't you make it yours?  
I'm already falling  
I couldn't help it, didn't think of the risks  
I got a problem, problem when I look in your eyes  
You're mine and you know it  
I still do it even if we're cursed  
Won't you be my rubble, it's okay with me if it hurts Please tell me that this could be easy  
I'm tired of waiting for permission to love  
Heartbreak is your game, but I'm learning  
My heart could be yours, won't you make it your own Please tell me that this could be easy  
I'm tired of waiting for permission to love  
Heartbreak is your game, but I'm learning  
My heart could be yours, won't you make it your own  
Please tell me that this could be easy  
I'm tired of waiting for permission to love  
Heartbreak is your game, but I'm learning  
My heart could be yours, won't you make it your own
