

# I'm Your Goddess (Radio Edit)

David Vendetta & Tara McDonald

As day turns to night  
I slip into your mind  
One Magical touch  
you leave your will behind So when you look at me  
Tell me what you see  
Am I your fantasy?  
I'll be the only one you need Yeah!! 'Cause I'm a Goddess  
I cannot be denied  
You're longing to surrender  
Fire burnin' deep inside  
Yeah!! 'Cause I'm a Goddess  
I WILL not be denied  
Remember who I am  
Say my name, Say it right!! Yeah!! 'Cause I'm a Goddess  
As night turns to day  
I keep you hypnotized  
that longing you feel  
Is never satisfied So when you look at me Tell me what you see  
Am I your fantasy?
