Dil saada laygae tu gaal meri sunja  
Ik vaari aakay vaikh hor saanu na tarpa

Screaming like you just don't care x2  
Somebody tell this girl we doin' it right oh woah  
We are the ones baby who do it all night

And I need somebody tonight  
Who can make me feel alive  
And I need somebody tonight  
Somebody get this party started started
