

Help Me (feat. Naomi Raine)

Jason Nelson

Suffering alone
Spent all I have
Things went from bad to worse
And time feeling defeated
Nothing has helped
I'm filled with shame and hurt Then I heard of Jesus
That he was passing by
They said that he was the answer
If I could just get to his side So I cried out
Lord, please help me
You are the answer
Heal my disease
Help me
You're the only one who can
Help me, Jesus
Sitting on the roadside
Blind and in need
Someone have mercy please
And I'm feeling defeated
As they said be quiet
But I will not agree 'Cause I heard of Jesus
That he was passing by
They told me he was the answer
If I could just get to his side So I cried out saying
(Lord, please help me)
You are the answer
Heal my disease
Help me
You're the only one who can
Help me, Jesus
So Lord, I know you have the power to open my eyes
And reveal to me the plan that you have for my life
Just one touch of your hand can make me whole again
If I just believe you can help me
I need your help
I need you, have mercy
I need your help
Oh Lord, I need you, have mercy Jesus So I'm crying out to you Jesus
I need you, have mercy
Even if I have to pull, I'm gonna get to you, oh Jesus
I need you, have mercy Jesus
I need you Jesus

I need you oh lord
I just gotta get one touch
I need your help
I just need to get to you Jesus
Have mercy
Have mercy Lord
I need your help
I need you, have mercy Jesus
Have mercy lord, have mercy lord
Please help me
You're the only one who can help me
Jesus
