

# Hasten Down the Wind (with Don Henley)

Linda Ronstadt

written by Warren Zevon

© 1973 Warner-Tamerlane Publishing Corp & Dark Room Music (BMI) She tells him she  
thinks she wants to be free

He tells her he doesn't understand

She takes his hand

And tells him nothing's working out the way she planned She's so many women

He can't find the one who was his friend

He's hanging on to half a heart

But he can't have the restless part

So he tells her to hasten down the wind Now he agrees he thinks she ought to be free

Now she says she'd rather be with him

Oh it's just a whim

That she's designed to keep him out there on that limb

She's so many women

He can't find the one who was his friend

He hanging on to half a heart

But he can't have the restless part

So he tells her to hasten down the wind

He tells her to hasten down the wind

He tells her to hasten down the wind
