

# Money Tree

## Walk Off the Earth

That CD in your place  
That poster on your wall  
That label on your face  
But it dont bother you at all  
You sold out for that tree  
And Im playing here for freeIm playing here for free  
Just a picture on my wall  
Im not loving you at all  
Just a picture on my wall  
Im not loving you at all  
That movement in your feet,  
That swagger in your hips,  
Ive seen this sh\*t before,  
Its when your music finally slips  
You sold out for that tree  
And Im playing here for freeIm playing here for free  
Just a picture on my wall  
Im not loving you at all  
Just a picture on my wall  
Im not loving you at all  
Just a picture on my wall  
Just a picture on my wall  
Just a picture on my wall  
Just a picture on my wall  
Just a picture on my wall  
Im not loving you at all  
Just a picture on my wall  
Im not loving you at all  
Just a picture on my wall  
Just a picture on my wall  
Just a picture on my wall  
Just a picture on my wall
