Against All Odds (Take a Look At Me Now)

Phil Collins

How can I just let you walk away, just let you leave without a trace
When I stand here taking every breath with you, ooh
You're the only one who really knew me at allHow can you just walk away from me
When all I can do is watch you leave

Cause we've shared the laughter and the pain and even shared the tears You're the only one who really knew me at allSo take a look at me now, oh there's just an empty space

> And there's nothing left here to remind me Just the memory of your face

Ooh take a look at me now, well there's just an empty space
And you coming back to me is against the odds and that's what I've got to face

I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why

You're the only one who really knew me at allSo take a look at me now, well there's just an empty space

And there's nothing left here to remind me, just the memory of your face
Now take a look at me now, cause there's just an empty space
But to wait for you, is all I can do and that's what I've got to face
Take a good look at me now, cause I'll still be standing here
And you coming back to me is against all odds
It's the chance I've gotta take
Take a look at me now
