

Scratch the Surface

Sick Of It All

Scratch the surface serve a purpose
scratch the surface don't waste my timeSuch empty life
 night after night
 all hidden faults
such shallow sightSuch simple sheep
 herd to the creeps
 beauty is null
 barely skin deep
What is the force that drives the superficial
tell me what keeps their minds remaining little
What is the force that drives the superficial
tell me what keeps their minds remaining
so afraid of what they'd see underneath the fantasy
so afraid to actually scratch the surfaceScratch the surface serve a purpose
scratch the surface don't waste my timeAll mirrors hide
 faillure inside
 that's maybe why
they take so much timeBig money lies
 big lying eyes
 eyes are the soul
 big dollar signs
What is the force that drives the superficial
tell me what keeps their minds remaining little
What is the force that drives the superficial
tell me what keeps their minds remaining
so afraid of what they'd see underneath the fantasy
so afraid to actually scratch the surfaceScratch the surface serve a purpose
scratch the surface don't waste my time
