

# So Far Away

## Avenged Sevenfold

Never feared for anything, never shamed but never free  
A life to heal the broken heart with all that it could  
Lived a life so endlessly, saw beyond what  
others see  
I tried to heal your broken heart with all that I could  
Will you stay? Will you stay away forever?  
How do I live without the ones I love?  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away  
Plans of what our futures hold, foolish lies of growing old  
It seems we're so invincible, the truth is so cold  
A final song, a last request, a perfect chapter  
laid to rest  
Now and then I try to find a place in my mind  
Where you can stay, you can stay away forever  
How do I live without the ones I love?  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away  
Sleep tight, I'm not afraid  
The ones that we love are here with me  
Lay away a place for me  
'Cause as soon as I'm done I'll be on my way  
To live eternally  
How do I live without the ones I love?  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
And the light you left remains but it's so hard to stay  
When I have so much to say and you're so far away  
I love you, you were ready  
The pain is strong and urges rise  
But I'll see you when he lets me  
Your pain is gone, your hands untied  
So far away  
And I need you to know  
So far away  
And I need you to, need you to know
