

So Far Away

Avenged Sevenfold

Never feared for anything, never shamed but never free
A life to heal the broken heart with all that it could
Lived a life so endlessly, saw beyond what
others see
I tried to heal your broken heart with all that I could
Will you stay? Will you stay away forever?
How do I live without the ones I love?
Time still turns the pages of the book it's burned
Place and time always on my mind
I have so much to say but you're so far away
Plans of what our futures hold, foolish lies of growing old
It seems we're so invincible, the truth is so cold
A final song, a last request, a perfect chapter
laid to rest
Now and then I try to find a place in my mind
Where you can stay, you can stay away forever
How do I live without the ones I love?
Time still turns the pages of the book it's burned
Place and time always on my mind
I have so much to say but you're so far away
Sleep tight, I'm not afraid
The ones that we love are here with me
Lay away a place for me
'Cause as soon as I'm done I'll be on my way
To live eternally
How do I live without the ones I love?
Time still turns the pages of the book it's burned
Place and time always on my mind
And the light you left remains but it's so hard to stay
When I have so much to say and you're so far away
I love you, you were ready
The pain is strong and urges rise
But I'll see you when he lets me
Your pain is gone, your hands untied
So far away
And I need you to know
So far away
And I need you to, need you to know
