## **Bones (feat. OneRepublic) [BotCash Remix]**

## Galantis

You bring an energy I've never felt before Some kind of chemical that reaches through my core It feels likeAs far as you and me I've never had a choice You feel like home, hmm You're like the opposite of all of my mistakes Tear down the biggest walls and put me in my place I know, that kind of comfortable you cannot replicate You feel like home, hmmSo if you're asking me Saying "Oh, how do you know?" I don't just feel it in my heart Don't just feel it in my heart, no I feel it in my bones I feel it in my bones And I know when it cuts tears down through your chest into your soul That's how you know That's how I know I feel it in my bonesAnd I know when it cuts tears down through your chest into your soul That's how you know That's how I know I feel it in my bonesSo many people just walk in and out your life I'd trade a couple hundreds and just to get some time, back that's right Cause for you and me, I got no alibi You feel like home, ohSo if you're asking me Saying "Oh, how do you know?" I don't just feel it in my heart Don't just feel it in my heart, no I feel it in my bones I feel it in my bones, yeah And I know when it cuts tears down through your chest into your soul That's how you know That's how I know I feel it in my bones I feel it in my bones Yeah, I feel it in my bones That's how you know That's how I knowSo if you're asking me Saying "Boy, how do you know?" I don't just feel it in my heart Don't just feel it in my heart, no I feel it in my bonesI feel it in my bones I feel it in my bones, yeah And I know when it cuts tears down through your chest into your soul

That's how you know That's how I know I feel it in my bonesI feel it in my bones Yeah, I feel it in my bones Oh, that's how you know That's how I know Feel it in my bones
