

A Love Before Time (Mandarin)

CoCo Lee, Jorge Calandrelli, Paula Ma, Xie Wen De, Dan Warner, Julio Hernández, Archie Peña & Yo-Yo

If the sky opened up for me,
And the mountains disappeared,
If the seas run dry, turned to dust
And the sun refused to rise
I would still find my way,
By the light I see in your eyes.
The world I know fades away
But you stay. As the earth reclaims its due,
And the cycle starts anew,
We'll stay, always
In the love that we have
Shared before time.
If the years take away
Every memory that I have
I would still know the way
That would lead me back to your side.
The North star may die
But the light that I see in your eyes
Will burn there always
By the love we have
Shared before time. When the forest turns to jade,
And the stories that we've made
Dissolve away
One shining light will still remain.
When we shed our earthly skin,
When our real life begins,
There'll be no shame
Just the love that we have made before time.
