

Never Say Never

Armin van Buuren

Stay with me
Won't you wait for me
Care for me
And never say never Love
You're in my flesh and bone
Where ever you go I'm home
I'll follow you You're in my head
In my heart
In my soul
Like the air I breathe
You're in my head
In my heart
In my soul
Like the air I breathe Yes you're my favourite need I'll follow you
I'll follow you When everything seems lost
I'm stuck and falling down
You will guide me home
So promise me
You'll stay with me
Won't you wait for me
Care for me
And never say never No never say never again
No never say never again
