

# Crave (Alex Preston Remix)

Dia Frampton

I'm diving in devotion  
You set  
A body into motion  
My heart is beating open  
I'm lost  
Hit me like I'm stolen  
I crave you I crave you  
Heart over mind over matter  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
You've become a habit  
Lightweight  
I've become an addict  
I've been out of practice  
Give me  
A little touch of magic  
I crave you I crave you  
Heart over mind over matter  
I crave you I crave you  
I crave you I crave you  
Heart over mind over matter  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
I crave you I crave you  
Light blue dreams  
Voices like drugs  
Takes me higher  
It's never enough  
You don't know what you do  
You don't know what you do  
Takes me back to seventeen  
We were young and wild and free  
You don't know what you do  
You don't know what you do  
To me  
I crave you  
Feel you everywhere I go

I crave you  
You were always on my mind  
I crave you  
I can feel it in my bones  
I crave you I crave you  
Crash your body into mine
