## The Very Thought of You

## **Jon Batiste**

The very thought of you And I forget to do The little ordinary thingsThat everyone ought to doI'm living in a kind of daydream But yes I'm happy as a king And foolish though I may seem To me she's everythingThe mere idea of you The longing here for you You'll never know How slow The moments go Until I'm near to you Oh baby I see your face in every flower And your eyes in stars above It's just the very thought of you My love
