

# On My Way to You

Cody Johnson

All the boats I've missed  
All the hell I've caused  
All the lips I've kissed  
All the love I've lost  
I got kicked around  
I've been black and blue  
On my way to you All the stars I've seen  
All the songs I've sung  
All the beers I've drank  
All the damage done  
I was just passin' time  
Kinda just passin' through  
On my way to you  
Every curve, every ditch  
Every turn, every bridge  
I left behind me up in smoke  
Every fork in the road  
It was all worthwhile  
When I finally saw you smile  
Every highway, every heartbreak  
Every mountain, every mile I got the radio up  
Sun is goin' down  
I'll take a left at the bank  
And I'll head straight through town  
So baby, put on that dress  
A little sweet perfume  
'Cause I'm on my way to you  
Yeah, every curve, every ditch  
Every turn, every bridge  
I left behind me up in smoke  
Every fork in the road  
It was all worthwhile  
When I finally saw you smile  
Every highway, every heartbreak  
Every mountain, every mile All the boats I've missed  
All the hell I've caused  
All the lips I've kissed  
All the love I've lost  
I thank God for that  
I guess he always knew  
I was on my way to you  
On my way to you

On my way to you
