

# Give It All You Got

Chuck Mangione

I've heard so many words.  
But I had no courage.  
Now we're saying goodbye.  
Don't want to miss you, tonight, oh. Tell me it's not over now  
I can change your mind somehow. I, I give it all.  
I trip and fall, for you.  
And I, hope you wouldn't mind.  
Just one more try, for something new  
I need you, I need you. Don't be shocked if I cry.  
You've changed me inside.  
I turned my back on you.  
You were the only reason I pulled through  
I pulled through. Tell me it's not over now  
I can change your mind somehow.  
My head feels so heavy  
My heart is so empty.  
I, I give it all.  
I trip and fall.  
I trip and fall  
I trip and fall.  
I, I give it all.  
I trip and fall, for you. (Oh.)  
And I hope you wouldn't mind, (Hope you wouldn't mind)  
Just one more try (Just one more try)  
For something new  
I need you
