

# Ghetto Rose

KeKe Wyatt

Addlibing (hmm, hmm, hmm, yeah)\*2 Young men please be careful with, the young ladies.

Dont do the things, you know that guys do.

Cos' shes growing up and showing it, you know she believes.

So dont make it harder, than it has to be. Dont let nobody, treat her rough.

Be the one to back her up.

Weither she do or dont put out.

Tell her thats shes,

Wonderful, Beautiful, Fabulous,

Tell her thats shes,

Got someone, To stand by for the roads,

Tell her thats shes,

Everything, you praid for, and even more, you adore her.

In and out the clothes,

Shes your Ghetto Rose. Young men please be careful with, your own ladies.

Dont do the things, you know that guys do.

If theres anyway your gonna keep, a family.

And everything as precious to you. Dont ever ever, treat her rough.

Be the one to lift her up.

And dont you ever shut her out.

Tell her thats shes,

Wonderful, Beautiful, Fabulous,

Tell her thats shes,

Got someone, To stand by for the roads,

Tell her thats shes,

Everything, you praid for, and even more, you adore her.

In and out the clothes,

Shes your Ghetto Rose.
