

Shame

Evelyn "Champagne" King

(J.H. Fitch and R. Cross)Shame

Burning, you keep my whole body yearning

You got me so confused

It's a shame

Sometimes I think I'm going insane

But still I want to stay Wrapped in your arms

Is where I want to be

I Want to be, want to be

Wrapped in your arms

That's my high, my high

Shame, ooh

My mother says you're playing a game

And what you do to me is a

Shame

Ooh, gonna love you just the same

Song text taken from stlyrics.com

Mama just don't understand Wrapped in your arms

Is where I want to be

I want to be, want to be

Wrapped in your arms

That's my high, my high I can't get enough, ooh baby

Enough of that magic touch

Love is in my heart

Tearing the rules apart

So, why should I be ashamed

Only love can be to blame

If we lose our love

It's a shame

Ooh, I wouldn't want to live with the pain

Gonna stay forever Wrapped in your arms

Is where I want to be

I want to be, want to be

Wrapped in your arms

That's my high, my high

Only love can be to blame

If we lose our love

It's a shame

Ooh, I wouldn't want to live with the pain

Gonna stay forever

Oh, it's a shame

Shame
