

# Anyone

## Demi Lovato

Uh, uh I tried to talk to my piano I tried to talk to my guitar  
Talked to my imagination  
Confided into alcohol I tried and tried and tried some more  
Told secrets 'til my voice was sore  
Tired of empty conversation  
'Cause no one hears me anymore A hundred million stories  
And a hundred million songs  
I feel stupid when I sing  
Nobody's listening to me  
Nobody's listening  
I talked to shooting stars  
But they always get it wrong  
I feel stupid when I pray  
So why am I praying anyway?  
If nobody's listening Anyone, please send me anyone  
Lord, is there anyone?  
I need someone, oh  
Anyone, please send me anyone  
Lord, is there anyone?  
I need someone I used to crave the world's attention  
I think I cried too many times  
I just need some more affection  
Anything to get me by  
A hundred million stories  
And a hundred million songs  
I feel stupid when I sing  
Nobody's listening to me  
Nobody's listening I talked to shooting stars  
But they always get it wrong  
I feel stupid when I pray  
Why the fuck am I praying anyway?  
If nobody's listening Anyone, please send me anyone  
Lord, is there anyone?  
I need someone, oh  
Anyone, please send me anyone  
Oh, Lord, is there anyone?  
I need someone Oh, anyone, I need anyone  
Oh, anyone, I need someone A hundred million stories  
And a hundred million songs  
I feel stupid when I sing  
Nobody's listening to me

Nobody's listening
