

# Rainy Season

Hunter Hayes

Say that you love me, even if it's not true.  
And say that this storm is just passing through.  
And, baby, tell me you're not leaving.  
It's just the rainy season. The air's getting heavy and we both know why.  
So dance one more dance and tell one more lie.  
And, baby, let's keep making believing  
That it's just the rainy season. We're taking on water.  
And drop after drop we're destroying this house  
And each other.  
Make it stop.  
Make it stop.  
We're taking on water.  
And drop after drop we're destroying this house And each other.  
Please, make it stop. I wish that I could just say and words were enough  
To keep you from being the one giving up.  
Just like the sky letting go for no reason  
Out in the rainy season.  
Oh, baby, tell me, tell me you're not leaving.  
It's just the rainy season.  
It's just the rainy season.  
It's just the rain  
Yeah, it's just the rain.  
It's just the rain.  
It's just the rain. Oh, baby, tell me you're not leaving  
In the rainy season.
