

# Fall In Love (Remix)

[Kenny Chesney](#)

A Little country church on a two lane road  
The bride and the groom comin' out the door  
White lace dress and a red bouquet  
Just married written on a blue Chevrolet  
Don't that make you want to fall in love  
Don't that look like a picture of us  
A match made in heaven if there ever was  
Don't that make you wanna fall  
That just makes me wanna give you my heart  
Ever forever needs a place to start  
Gotta be a sign from up above  
Don't that make you wanna fall in love  
Old folks sittin' in a front porch swing  
Still holdin' hands like they were 16  
Fifty good years they're a lovers dream  
Darlin' that could be you and me  
Don't that make you want to fall in love  
Don't that look like a picture of us  
A match made in heaven if there ever was  
Don't that make you wanna fall  
That just makes me wanna give you my heart  
Ever forever needs a place to start  
Gotta be a sign from up above  
Don't that make you wanna fall in love  
Yeah Yeah  
Now don't that make you want to fall in love
