

# Only Human

## Jonas Brothers

Yeah, ayy I don't want this night to end  
It's closing time, so leave with me again (Yeah)  
You got all my love to spend, oh  
Let's find a place where happiness begins We gon' dance in my living room  
Slave to the way you move  
Hurts when I'm leaving you (Ayy)  
Just dance in the living room  
Love with an attitude  
Drunk to an 80s groove (Ayy)  
We gon' dance in my living room  
Slave to the way you move  
Hurts when I'm leaving you (Ayy)  
Dance in the living room  
Love with an attitude  
Drunk  
It's only human, you know that it's real  
So why would you fight  
Or try to deny the way that you feel?  
Oh, babe, you can't fool me,  
Your body's got other plans  
So stop pretending you're shy, just come on and  
Dance, dance, dance, dance, oh Early morning la-la-light  
Only getting up to close the blinds, oh  
I'm praying you don't change your mind  
'Cause leaving now just don't feel right  
Let's do it one more time, oh babe  
We gon' dance in my living room  
Slave to the way you move  
Hurts when I'm leaving you  
(Hurts when I'm leaving you)  
Just dance in the living room  
Love with an attitude  
Drunk to an 80s groove (Ayy)  
We gon' dance in my living room  
Slave to the way you move  
Hurts when I'm leaving you (Ayy)  
Dance in the living room, love with an attitude  
Drunk It's only human, you know that it's real (Know that it's real)  
So why would you fight  
Or try to deny the way that you feel?  
(The way that you feel)  
Oh, babe, you can't fool me,

Your body's got other plans  
So stop pretending you're shy, just come on and  
Dance, dance, dance, dance, oh Dance, oh (Woo, ayy)
