

White Gloves

Khruangbin

She was a queen.
She had a house.
She was a fighter.
She was a queen.
Had a good dude.
Bought me a rabbit.
She was a queen.
Wearing white gloves.
But she kept 'em clean.
Classy Lady.
But she wasn't quiet.
She was a queen.
One day she was gone.
She died in a fight.
'Cause she was a fighter.
She was a queen.
She was a queen
She was a queen
