

# Sophisticated Lady (She's a Different Lady)

Natalie Cole

Sophisticated lady, sophisticated lady  
She's a different lady with a different style  
She stands tall and steady like the eiffel tower  
She is hip to politics but loves her jazz  
She's got lots of rhythm she's got lots of class  
Everybody knows how she got her name, yeah  
Oh, ha, she wears knee length dresses with her high heel steppers  
She's not no back stabber but she's sure a pleaser  
She talks quiet and gentle, she acts very cool  
She sticks close to her lover, she obey god's rules, woh  
(sophisticated lady) sophisticated lady, yeah  
(sophisticated lady) oh  
(sophisticated lady) that's her name, that's her name  
(sophisticated lady) woh, woh  
Everybody knows how she got her name  
Yeah, yeah, yeah, yeah----  
Woh--, oh, oh, oh, oh  
She's the kind of person that you'd like to meet  
'cause she's always smiling and she's always neat  
She can start a fire in the coldest man  
She's a hip slick sister known throughout the land, oh  
(sophisticated lady) that's her name  
Sophisticated lady (sophisticated lady) yeah  
Oh, well, woo, woo, woo, woo, woo, woo, hoo, that's her name  
Sophisticated lady (sophisticated lady) lady, lady  
Sophisticated lady (sophisticated lady) oh  
Sophisticated lady, (sophisticated lady) ah  
Sophisticated lady (sophisticated lady)  
Ooh, ooh (sophisticated lady)  
Repeat (sophisticated lady)
