

Leave My Heart Out of This

Fifth Harmony

My heart is telling me that you were gonna change, but know
My heart is lying right to my face, yeah.
My heart is making up excuses for your ways, but I wish that.
My heart knew when I should walk away, baby.
It lets me down, it helps me as I get back up off the ground while telling me that
this is love but I found it wasn't really on my side.
Now I think it's time.
I tell my heart to just butt out, keep it's opinion to it's self I should just listen
to my head cause its the one who knows what's best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this
Im done feeling like a stranger to myself
So I know
I've got to put all of my feelings on a shelf, yeah.
It lets me down, it helps me as I get back up off the ground while telling me that
this is love but I found it wasn't really on my side.
Now I think it's time.
I tell my heart to just butt out, keep it's opinion to itself I should just listen
to my head cause its the one who knows whats best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this
Sometimes I wish you'd just shut up and let me think I've had enough I need to just
make up my mind
So that's why.
I tell my heart to just buty out, keep it's opinion to it's self I should just listen
to my head cause its the one who knows whats best.
It tells me not to love you but my heart says just forgive you.
Oh but its not thinking clearly.
I wish that I could leave my heart out of this
Leave my heart out of this
Le le le leave my heart
Le le le leave my heart
No no oh
