

# Spark

## Tori Amos

She's addicted to nicotine patches  
She's addicted to nicotine patches  
She's afraid of a light in the dark  
6.58 are you sure where my spark is  
Here, here, here She's convinced she could hold back a glacier  
But she couldn't keep baby alive  
Doubting if there's a woman in there somewhere  
Here, here, here You say you don't want it again and again  
But you don't, don't really mean it  
You say you don't want it, this circus we're in  
But you don't, don't really mean it  
You don't, don't really mean it  
If the divine master plan is perfection  
Maybe next I'll give Judas a try  
Trusting my soul to the ice cream assassin  
Here, here, here You say you don't want it again and again  
But you don't, don't really mean it  
You say you don't want it, this circus we're in  
But you don't, don't really mean it  
You don't, don't really mean it How many fates turn around in the overtime?  
Ballerinas that have fins that you'll never find  
You thought that you were the bomb, yes, well, so did I  
Say you don't want it, say you don't want it How many fates turn around in the overtime?  
Ballerinas that have fins that you'll never find  
You thought that you were the bomb, yes, well, so did I  
Say you don't want it, say you don't want it  
You say you don't want it again and again  
But you don't, don't really mean it  
You say you don't want it, this circus we're in  
But you don't, don't really mean it  
You don't, don't really mean it  
She's addicted to nicotine patches  
She's afraid of a light in the dark  
6.58 are you sure where my spark is  
Here, here, here
