

Blinded

Emmit Fenn

Don't need this like I used to
'Cause I feel blinded, blinded by you
Don't need this like I used to
'Cause I feel blinded, blinded by you
Don't need this like I used to
'Cause I feel blinded, blinded by you
Don't need this like I used to
'Cause I feel blinded, blinded by you
Don't need this like I used to
'Cause I feel blinded, blinded by you
